Greenaction posted at [www.greenaction.org](http://www.greenaction.org) the following:

## Toward a Healthy and Just Future for All

**Greenaction for Health & Environmental Justice** is a multiracial grassroots organization that works with low-income and working class urban, rural, and indigenous communities to fight **environmental racism** and build a **clean, healthy and just future for all**. We mobilize community power to win victories that change government and corporate policies and practices to protect health and to promote environmental, social and economic justice. Join us!

## News
